

Dear City of Lawrence,

4.1.14.

I'm writing you this in regards to Leonard Degnan. We know him as "Lenny" our next door neighbor. The man who helps my family with multiple things from shoveling our driveway to holding my 18 month old and making him laugh. Teaching my 3 year old how to use a trampoline. I have nothing but good things to say about Lenny. We met Lenny and his family over a year ago when we moved here. We speak to him and his wonderful family all the time. This ~~has~~ breaks our heart hearing what has happened to a "GOOD" man.

Please re-consider ~~this~~
your decision

Thank you -
